

Commissioned Paintings

I work by commission for paintings! For your idea, provide me with a photo or I will take a photo myself of the subject matter, and I will work from it. We will discuss details of the painting – size and subject matter, and any other details you may want to discuss. Once details are nailed out, a down payment of **1/2 of the price** of the painting is required to start. Claire will give an estimated time frame for production. Claire will contact the client upon completion of the painting and will schedule a viewing. If at the initial viewing client wants changes made, the changes will be made at no extra charge. Once, client approves of the painting and painting leaves the studio, it is considered finished. Any changes made after the painting is considered “finished” will be charged at **\$100/hr.**
