

Commissioned Work

I work by commission and welcome any ideas of paintings you might have. Present your ideas to me, I will approve the picture or take it myself, and I can paint it for you! I work mostly in oils on canvas and sometimes in acrylic on canvas. I do people portraits, house portraits, street scenes, architecture, animals – the mundane to something special. Just ask!

Most of the paintings on my website are available for sale. Please contact me for information. If a painting is sold, CANVAS PRINTS or GICLEES of it are available at @ 1/3 – 1/2 the price of the original painting. Please inquire!
